

**CRAWLEY HORTICULTURAL SOCIETY**  
**The Society Hall, Ifield Avenue, West Green, Crawley, RH11 7AJ**  
Telephone No. 07546970594

Hello and welcome to the **2024 Show Schedule.**

All shows will take place in the society hall. Entries for the show can be made **between Monday & Thursday up to 8.00pm the week of the show by email, text or phone.** This allows completion of the necessary paperwork in readiness to set up the show tables in the hall on Friday. Staging for these events will start at **8.00am** on the Saturday morning of each show. **Doors will close at 10.00am SHARP. THERE WILL BE NO ENTRY FOR STAGING AFTER THIS TIME. Staging must be completed by 10.20am.**

Judging will commence at 10.30am. Friday staging is by special appointment.

Doors will open for viewing by the public at 1.30pm until 4.00pm  
**Admission is 50p per Adult - Children (under 12) free.**

This year we have added a domestic section to our summer show schedule, so please have a look through and see if you can decorate or bake something to enter

If you know the variety name of your exhibit, can we ask you to complete a yellow card so judges and the public can see the variety, as they may wish to grow it themselves. Cards are available from the show admin desk.

Your support of the shows is vital to the C.H.S, and you **don't** have to be a member of CHS to enter the show (unless stated within the schedule). So why not challenge family, friends, or fellow allotment holders to grow the best fruit, vegetable or flower. Children **over** 12 years are eligible to enter the general shows. There are specific classes for children under 12.

While you're visiting the show why not stop for a cup of tea or coffee and a slice of cake. There will of course be raffle tickets to purchase too. We will present the show awards and announce the raffle winners at around 3.30pm. We always need help, especially setting up for the show of Friday afternoon and clearing away after the show on Saturday afternoon as there is a lot to do, especially lifting tables. If you can help, please let Helen know in advance. If you would prefer to help out by either making cakes for the refreshment café or serving teas/coffee/cake, please let Helen know. Our shop is always open during the show and if you are a shop helper and can spare some time to help, we'll supply you with tea, coffee and cake to keep you going!

Wishing you all a happy and succesful gardening season.

Helen Partridge - Show Secretary

Exhibitors should read the schedule carefully to make sure you are entering the correct class as it may result in disqualification with the comment NAS (Not According to Schedule). If you need any help at the Show please don't hesitate to ask the Show Secretary or Show Helpers for assistance.

### **FLOWERS**

Check the stems and bloom quality carefully. Flowers should be fresh, have good colour and be true to type. Flower and foliage should be free from any blemishes. Newspaper/chicken wire etc may be used as an aid to support stems in the vases supplied by Crawley Horticultural Society. Please DO NOT USE floral foam.

### **VEGETABLES**

Always show the correct number of exhibits as shown in the Schedule. Exhibits should be fresh, uniform in size and free from any pest or disease damage. Pots MUST be clean. Vegetable roots, carrots and potatoes should be carefully washed with a soft sponge so that the skin is not broken.

For example:-

Beetroot, carrot, parsnips etc, should be removed, leaving approximately 8cm of leaf stalk.

Leeks should have the roots trimmed to 8cm and leaves untrimmed.

Potatoes should be of uniform size without disease or broken skin.

Rhubarb should have leaves removed to within 8cm of stalk.

No commercial jar lids to be used. No packet mixes should be used for any cake. Cake Domes are provided for cakes to be displayed under – a more hygienic way to display.
