

CRAWLEY HORTICULTURAL SOCIETY
Ifield Avenue, West Green, Crawley, RH11 7AJ
Telephone No. 07546970594 During shop opening hours only)

Hello and welcome to the 2020 Show Schedule.

As before, we can only accept entries up to 8.p.m. on the Thursday prior to the show, as this then allows us to complete the necessary paperwork in readiness to set up the tables in the hall for the shows. Staging for these events will be from 8.00-10.30a.m. on the Saturday morning of each show. (Friday staging will only be allowed by special arrangement).

Should you know the variety name of your exhibit, can we please ask you complete a yellow card not only for the benefit of the judges and exhibitors but the general public too. The cards will be available on the admin desk at the show.

Your support of the shows is vital to the CHS, so please tell your family and friends about the them and encourage them to come along to see the wonderful exhibits. Please don't forget - you don't have to be a member of CHS to enter the show, so why not challenge family and friends to grow the best fruit, vegetable or flower. We actively encourage children 11 years and over to enter the general shows. We have specific sections especially for any child up to the age of 11.

We look forward to seeing you all at the shows and while you're there, why not stop for a cup of tea/coffee and a cake before we present the show awards. You may even be lucky enough to win a prize in our raffle!

If you are interested in helping out with the refreshments on Show afternoons please let us know - we'll be very happy to have you on board.

Wishing you all a happy and successful gardening season.

Helen Partridge - Show Secretary

Always show the correct number of exhibits as shown in the schedule.

Exhibits should be fresh, uniform and free of any pest or disease damage. Pots must be clean.

Vegetable roots, carrots and potatoes should be carefully washed with a soft sponge so that the skin is not broken. Onions should have half an inch of dried stem bent over and tied with raffia or thread. Peas and beans should be cut from the plant and exhibited with a short stalk.
