

## **CRAWLEY HORTICULTURAL SOCIETY**

The society Hall, Ifield Avenue, West Green, Crawley, RH11 7AJ

Telephone No. 07546970594

Hello and welcome to the **2022 Show Schedule**.

All shows will take place in the society hall. Entries for the show can be made **between Monday & Thursday up to 8.00pm the week of the show by email or phone**. This allows completion of the necessary paperwork in readiness to set up the show tables in the hall on Friday. Staging for these events will start at **8.00am** on the Saturday morning of each show. **Doors will close at 10.15 am SHARP. THERE WILL BE NO ENTRY FOR STAGING AFTER THIS TIME**. Judging will commence at 10.30am. Friday staging is by special appointment.

Doors will open for viewing by the general public at 1.30pm until 4.00pm **Admission is 50p per Adult** (this includes 1 raffle ticket) - **Children (under 12) free**.

If you know the variety name of your exhibit, can we ask you to complete a yellow card so judges and general public can see the variety. Cards are available from the show admin desk.

Your support of the shows is vital to the CHS, so please tell your family and friends, and encourage them to come along to see the wonderful exhibits. Don't forget, you **don't** have to be a member of CHS to enter the show ( unless stated within the schedule), so why not challenge family, friends or fellow allotment holders to grow the best fruit, vegetable or flower. Children **over** 12 years are eligible to enter the general shows. We have specific classes for children under 12.

While you're there you could buy a raffle ticket and stop for a cup of tea or coffee and a slice of cake before we present the show awards and announce the raffle winners at around 3.30 p.m.

If you are interested helping out with either setting up/clearing away before or after the show, admin duties during judging, helping serve tea/coffee and cake or baking cakes for the cafe, please let me know. We will be very happy to have you on board and your help will be greatly appreciated.

Wishing you all a happy and successful gardening season

Helen Partridge - Show secretary

## **TIPS FOR SHOWING VEGETABLES**

Read the show rules and schedule carefully, the wording must be strictly adhered to. Note the difference between kind and variety. Kinds are distinctly different items e.g. onions and carrots while varieties (cultivars) are man bred variations of the same kind. e.g. Onward and Green Shaft are varieties of pea. Always show the correct number of exhibits as shown in the schedule.

Exhibits should be fresh, uniform and free of any pest or disease damage. Pots must be clean.

Vegetable roots, carrots and potatoes should be carefully washed with a soft sponge so that the skin is not broken. Onions should have half an inch of dried stem bent over and tied with raffia or thread. Peas and beans should be cut from the plant and exhibited with a short stalk.

Blackberries and similar fruits should be exhibited with a short stalk and raspberries must be shown with the core intact. Finally, if in doubt when staging, ask a steward or fellow exhibitor. They will be pleased to help.
